

## 11.4 Reisen - Richtung USA Deutschland für Amerikaner

You have an internship with the Deutsche Zentrale für Tourismus e.V. They would like you to draft a text in English to pitch German regions to Americans for tourism. Select one region in Germany (such as the Sächsische Schweiz, Bodensee, Schwarzwald, Köln) and write a text similar to 11.4D Neuengland in your Lernbuch, but in reverse. Compare the region to the United States and make the destination as attractive to Americans as you can. Base your info on what you've learned in the course and use web-seaching as necessary.
