

9.2 Ist das normal? - Gesundheit Reiseapotheke

The following are the main elements of the ENGEL-Basis-Reiseapotheke, a recommended first-aid kit for traveling. Use an internet search engine to track down the brand names (which of course are not the same as American ones) and then write in the condition it is designed to treat in the blank next to it.

Hautreizung Hautdisinfektion Durchfall Insektenstiche
Ohrenschmerzen Schnittwunden Magenschmerzen Kopfschmerzen

Imodium akut

Fenistil Gel

Talcid Tabletten

Bepanthen Wundsalbe

Aspirin

Otalgan Ohrentropfen
